

Guidance on how to move to self-quarantine after entering Korea

★ Students cannot use public transportation after entering Korea, so they must find out transportation before entering Korea. ★

- ▶ Use **your own vehicle** (including when driven by another person) or **transportation exclusively for overseas entrants** (exclusive buses, KTX, quarantine taxis, etc.) according to the guidance of the local government, and **general public transportation is prohibited** to prevent the spread of the COVID-19.
- ▶ When moving one's own car (including driving and moving by another person), avoid physical contact such as shaking hands with pick-up person, and comply with quarantine rules such as sitting on the right side of the rear seat.
 - The pick-up person must wear mask and ventilate the vehicle periodically while moving.
- ▶ When using transportation (bus, train, taxi, etc.) exclusively for overseas entrants, thoroughly disinfect your hands, and comply with quarantine rules such as prohibiting food intake and refraining from conversation.

- **Inquiries about overseas entrants using public transportation.**
